As of date, the Ministry of Foreign Affairs, Regional Integration and International Trade has been informed that there are 20 Mauritian citizens studying at 5 Universities in Wuhan (including a couple and a child). According to information, three of the Mauritian Nationals are currently outside of China.

In view of the restriction on movement imposed by the Chinese authorities in the city of Wuhan and province, the Ministry of Foreign Affairs, Regional Integration and International Trade stands ready to reach out to these nationals either directly or through their parents to ascertain their conditions and situation of wellness and provide consular assistance to the best of its possibilities.

The Ministry of Foreign Affairs is at the same time maintaining close contact and communication with the Chinese authorities, including the Embassy of China in Mauritius, to provide the necessary support and assistance to Mauritian citizens in China.
The Ministry of Foreign Affairs, Regional Integration and International Trade is also in consultation with friendly countries to determine possibilities of assistance to Mauritian nationals in Wuhan, in the province of Hubei, and on the Chinese mainland.

For any emergency, relatives of Mauritian nationals currently staying or residing in China are requested to contact the following numbers;
