

PLEASE SCROLL DOWN FOR VISA INFORMATION COUNTRYWISE

The content of this document is for information purposes only. The responsibility for verifying entry requirements rests entirely with the individual traveler. As visa requirements often change at short notice, travelers must always check personally with their travel agencies or the respective embassies/representative offices to ensure that this information is accurate for their specific purpose prior to departure.

The following conditions apply to all countries:

Travelers should have certain documents, amongst others, a valid passport for at least 6 months with enough blank pages, return/onward air-tickets, letter of invitation from host/hotel reservation, insurance, and sufficient financial means to meet the cost of stay.

A visa or permit does not, however, guarantee automatic entry into the foreign country, as the final decision to grant entry rests upon the immigration officials of the foreign country.

Disclaimer notice: The Ministry of Foreign Affairs, Regional Integration and International Trade of the Republic of Mauritius is not responsible for any change in the visa procedures of the foreign countries and shall not be held responsible in case the traveler is not granted entry visa or in case of deportation.

HEALTH WARNING FOR TRAVELLERS TO NEW DELHI:

[Please click here](#)

EBOLA TRAVEL WARNING (Communique as at 12 April 2016)

- As, the World Health Organisation has declared the end of the most recent outbreak of Ebola Virus Disease (EVD) in Liberia and Sierra Leone, the Ministry of Health and Quality of Life has issued a Communiqué on 12 April 2016 to inform the public that Liberia and Sierra Leone have been removed from the list of Countries affected by Ebola Virus Disease. However, Guinea Conakry is still affected by the Ebola Virus Disease.

- [Please click here](#) to view the Communiqué.

- Consequently, all foreign passengers who have visited Guinea Conakry within a period of twenty one (21) days prior to arrival in Mauritius, will not be allowed entry to Mauritius.
- Mauritian nationals will be allowed entry but will be admitted to Souillac hospital pending the results of blood tests.
- All applications for work permit and visa would be put on hold, and no new applications would be entertained. Nationals from the Guinea Conakry to whom a visa has already been issued, would be informed not to travel to Mauritius.

TRAVEL ADVISORY

- Following the outbreak of Ebola Virus Disease in West Africa, the public is strongly advised to avoid visiting Guinea Conakry unless it is absolutely necessary.
- Any Mauritian nationals visiting Guinea Conakry and returning to Mauritius will be subject to a risk profiling and quarantined accordingly. They will be allowed entry but will be admitted to Souillac hospital pending the results of blood tests
- Those in dire need to visit the above-mentioned countries are requested to take the following precautionary measures:
 - Practice vigorous personal hygiene including frequent hand washing with soap and water;
 - Avoid contact with sick persons;
 - Avoid hugging and hand shake;
 - Do not handle items that may have come in contact with an infected person's blood or body fluids;
 - Avoid funerals and burials rituals that require handling the body of someone who has died of Ebola;
 - Avoid crowded places and social gatherings;
 - Avoid hospitals where Ebola patients are being treated;
 - Avoid contact with bats and nonhuman primates or blood, fluids and raw meat prepared from these animals.
- In the event you develop fever with one or more of the symptoms such as: weakness, muscle pain, headache, sore throat, vomiting and diarrhea, you should contact a doctor.

The Ministry of Health and Quality of Life would like to inform the public in general that all necessary precautionary measures have been taken to prevent Ebola.

- These measures are as follows:
 - surveillance at the Port and Airport has been reinforced;
 - follow up of incoming passengers from affected countries, at their place of residence, has been stepped up;
 - the International Vaccination Centre is counseling all potential visitors to affected areas on measures to be taken;
 - a monitoring committee has been set up at the level of the Ministry to follow the evolution of the disease and to ensure appropriate level of preparedness;
 - a circular was issued to all doctors of the public and private sectors to inform them of the situation and to increase vigilance;
 - a workshop was organized for the medical and para medical staff of both public and private sectors shortly with a view to sharing information on the disease and measures taken and to brainstorm on the way forward.

The contact number of the hospitals are as follows:

20.	Bermuda	No visa required	Nationals of countries other than USA, UK and Canada require a multiple entry transit visa for USA, UK or Canada (as applicable depending on one's route). This is because such nationals will need to transit and return through US, UK or Canada. This visa is known as Multi Re-Entry Visa (MRV) which ensures that a visitor is able to leave Bermuda, and return to his/her own country via US, UK or Canada (as the case may be). So nationals who require and have valid MRV (Multi Re-Entry Visa for US, UK or Canada) can now visit Bermuda without requiring
			any separate visa for Bermuda or visa waiver. So tourists, persons on business and work permit holders from such countries (including who were earlier Visa Controlled Nationals) now do not need a separate entry visa for Bermuda. http://www.bermuda-attractions.com/bermuda2_00005d.htm http://bdalondonoffice.co.uk/services/visa-services/ http://www.gotobermuda.com/get-here/travel-tips/ https://www.gov.uk/foreign-travel-advice/bermuda/entry-requirements http://www.gov.bm/portal/server.pt/gateway/PTARGS_0_2_1842_8_214_232821_43/http%3B/ptpublisher.gov.bm%3B7087/publishedcontent/publish/ministry_of_labour_haps/immigration/immigration_new_links_navigation/20141605new_visa_policy_20142802_updated.pdf

78.	Indonesia	Visa not required for thirty days	Mauritian nationals travelling to Indonesia no longer require a visa before entering Indonesia. The maximum period of stay is 30 (thirty) days, non-extendable and non-transferable into stay permit. For more information: Please click here The app 'All Indonesia' has been launched for international passengers arriving at and departing from airports and can be downloaded from Playstore, App Store and from the website http://allindonesia.imigrasi.go.id/ The appl may be used by any passenger entering Indonesia and can be completed individually or collectively (as a group/family).

			It is possible to complete the declarations in 'All Indonesia' from three days prior to the arrival date up to the day of arrival in Indonesia. To ensure that the data is properly completed before airport controls, it is recommended to complete it before boarding. Passengers are invited to present proof of completed declarations (QR Code) to check-in personnel to ensure smooth procedures upon arrival in Indonesia. Passengers who have not completed the form before boarding will still have the right to enter Indonesia. However, controls at customs, immigration, and quarantine services will take longer. The documents required to complete the form on the application are as follows: • Passport • Flight ticket • Purpose of travel • Address in Indonesia • Information regarding transported goods (animals, fish, plants, and derived products) The application is mandatory since September 1st, 2025.
